**Cumulative Grade:**

| S/No. | INDICATORS* | WOMEN'S REPRESENTATION | WOMEN'S ECONOMIC EMPOWERMENT | WOMEN'S HEALTH | GBV PREVENTION AND RESPONSE | EDUCATIONAL PARITY | REMARKS |
|---|---|---|---|---|---|---|---|
| | **Social Inclusion and Political Empowerment** | | | | | | |
| 1 | Work with the National Assembly to pass legislation to promote female employment in all government offices, ministries, and agencies. | ● | | | | | No legislation was passed by the National Assembly to promote female employment in government offices and MDAs. |
| 2 | Increase women's participation in government to at least 35 percent of all governmental positions. | ● | | | | | Out of 45 Ministers, only 8 (17.8%) are women; out of the 37 Commissioners of Police only two (5.4%) are women; and, out of the 71 Special Advisers, Senior Special Assistants, Special Assistants, and Personal Assistants to the President, only 22 (31%) are females. |
| 3 | Through legislation, mandate the federal executive to reserve a minimum number of senior positions (cabinet, senior advisers) for women. Encourage private institutions to do likewise. | ● | | | | | No legislation was made to mandate the federal executive to reserve a minimum number of senior positions for women and private institutions were not encouraged to do so. |
| | **GRADE** | ● | | | | | |
| | **Fighting Domestic Violence and Abuse** | | | | | | |
| 4 | Expand the use of specialist police units to investigate and handle cases of domestic violence. | | | | ● | | No report on expansion of specialist police units to investigate and handle cases of domestic violence. |
| 5 | Strengthen social services and support to victims of domestic violence and abuse by encouraging whistleblowing, counselling for victims, and sanctuary homes. | | | | ● | | No provision of Shelters and/or Sexual Assault Referral Centres (SARCs) by the Federal Government; neither was there programs initiated or being implemented by the Government to provide holistic social service and support for survivors of domestic violence. |
| 6 | Prioritize the prosecution of domestic abuse cases and seek more serious criminal penalties for abusers. | | | | ● | | No evidence (e.g., law, policy, or program) that demonstrates prioritization of the prosecution of GBV cases or to ensure serious criminal penalties for abusers. |
| | **GRADE** | | | | ● | | |
| | **Educational Parity** | | | | | | |
| 7 | Increase education financing, including education budget allocation, disbursement, and utilization. | | | | | ● | Of the N28.77tn total "Budget of Renewed Hope" for 2024, only N1.59tn (5.5%) is allocated to the Ministry of Education. Of this MoE budget, N273.81bn (17.2%) is allocated to UBEC for its administration out of which N22.34bn (8.2%) is earmarked for capital and N251.47bn (91.8%) for personnel cost. For its core functions, UBEC receives only 2% of the Consolidated Revenue Fund (CRF) yearly. |
| 8 | Ensure the security and safety of schools. | | | | | ● | There have been many school-based mass kidnappings of school children and school personnel, which, in some cases, result in permanent injuries or death. |
| 9 | Increase education financing, including education budget allocation, disbursement, and utilization. | | | | | ● | • Launched the "Renewed Hope Initiative" (RHI) to promote alternative high school for girls.<br>• Assented the Student Loans (Access to Higher Education) (Repeal and Re-enactment) Bill, 2024 to ensure Nigerian students in tertiary institutions can access low-interest loans for tuition and other academic needs. The Nigerian Student Loan Scheme was initiated but later suspended.<br>• Established the National Education Data System-DOTS (Data Repository, Out-of-School Children Education, Teacher Training and Development, and Skill Development and Acquisition) to enhance learning, skill development, enrolment, and safeguarding of academic future of youths.<br>• Approved a National Skills Framework to equip Nigerian students with competencies needed for the 21st century global economy.<br>• Launched the "Education as a Powerful Tool for Change" campaign, which is the Nigerian component of an initiative by the Organization of African First Ladies for Development (OAFLAD) called #WeAreEqual, aimed at promoting inclusive education, skill development, and gender equity. |
| 10 | Work with States to better ensure girls stay longer in school. | | | | | ● | Educated and trained about two million out-of-school children, who are among the 18.3million out-of-school children (primary and junior secondary) in Nigeria, according to the 2021 UBEC Personnel Audit. |
| 11 | Through scholarships and other incentives, encourage the entry of more female students into the Science, Technology, Engineering, and Maths (STEM) fields. | | | | | ● | • The program 3MTT/HerTechHub empowered 540,000 females with tech skills, and distributed 370 laptops and 774 tablets to female participants.<br>• Built an ICT community center to provide access to technology for undeserved women and girls. |
| | **GRADE** | | | | | ● | |
| | **Economic Empowerment** | | | | | | |
| 12 | Encourage commercial banks to support women-owned businesses nationwide through concessionary loans and incentive schemes. | | ● | | | | No evidence of concessionary loans and incentive schemes, policies, or partnerships between the FG and commercial banks to support women-owned businesses. |
| | **Social Policies and Programs** | | | | | | |
| 13 | With an emphasis on empowering as many women as possible to lift them and their families out of poverty. Social programs such as welfare programs, social investment programs, and business development, while prioritizing tackling the growing problem of out-of-school children. | | ● | | | | • The Government Enterprise and Empowerment Programme (GEEP) disbursed N50,000 loans to market women.<br>• The Renewed Hope Initiative (RHI) empowered 240 female farmers with N120 million.<br>• 15 women were empowered with grinding machines. |
| | **GRADE** | | ● | | | | |
| | **Women's Health** | | | | | | |
| 14 | Increased and more effective health spending by improving the allocation of healthcare in the national budget. | | | ● | | | Of the N28.77tn total "Budget of Renewed Hope" for 2024, only N1.34tn (4.7%) is allocated to the Ministry of Health and Social Welfare, out of which N771.56bn (57.6%) is for personnel, N21.76bn for overhead (1.6%), and N542.95bn (40.5%) for capital. |
| 15 | Funds saved by the removal of the fuel subsidy to be earmarked for use in helping to provide health coverage for pregnant women and children under-five. | | | ● | | | No report that funds saved from the removal of fuel subsidy is been utilized to provide coverage for pregnant women and children under-five. |
| 16 | Provide access to quality health care and services everywhere – including accelerated access to family planning as fundamental for managing our population. | | | ● | | | 4.5 million Nigerians have accessed outpatient health services and 1.6 million had inpatient admissions. |
| 17 | Enforce implementation of laws to end gender-based violence and harmful practices like child/early/force marriage and female genital mutilation that are against women and girls. | | | ● | | | There is currently no system to enforce implementation of laws to end GBV and practices like child/early/forced marriage as at least 100 young women were recently forced into marriage in Niger State. |
| 18 | Establishment of a regulated community-based health insurance scheme within the broader National Health Insurance Scheme. | | | ● | | | Community-based health insurance scheme have not been established. |
| 19 | Deploy adequate infrastructure and human resources to address maternal and childcare, and immunisation. | | | ● | | | • More than 2,400 health workers (Nurses, Doctors, and Midwives) have been recruited.<br>• 5 million Nigerian children have been vaccinated against diphtheria using pentavalent vaccine.<br>• 10 million Nigerian children received the tetanus and diphtheria vaccines.<br>• More than 5 million children have received measles vaccine. |
| 20 | Using incentive schemes and counterpart funding programs, work with State Governments to build a network of static as well as mobile local clinics to ensure that no person lives more than 3km or a 30-minute walk from a primary healthcare facility. | | | ● | | | No network of static or mobile local clinics has been built to ensure that no person lives more than 3km or 30-minute walk from a PHC. |
| 21 | In conjunction with State and Local Government authorities, facilitate the upgrading, equipping, and staffing of a general hospital in every Local Government Area, a tertiary facility in each State, and a world-class specialist hospital in each geo-political zone. | | | ● | | | • 201 federal hospitals have executed infrastructure projects.<br>• 179 medical equipment were distributed across the six geo-political zones. |
| 22 | Work with State and Local Governments to encourage preventative measures and care services that are grassroot based, gender-sensitive, and affordable. | | | ● | | | 4.95 million girls within the ages of 9-14 have received HPV vaccines. |
| 23 | Expand public sector-driven mandatory health insurance coverage while augmenting the financial mechanism such as the Basic Health Care Provision Fund and Vulnerable Group Fund to cover vulnerable populations. | | | ● | | | 1.8 million Nigerians have been covered through the Vulnerable Groups Fund at the NHIA. |
| 24 | Build the capacities of 120,000 frontline health workers to cater for mothers. | | | ● | | | Training guidelines and curriculum for frontline healthcare workers have been reviewed and updated. Trainers have been trained in most of the States. |
| 25 | For Medicare, ensure health facilities are revamped. Thus, revise 8,300 primary healthcare centers to functionality. Expand and upgrade to at least 17,000 primary healthcare centres. | | | ● | | | • Availability of N260 billion at the state level through IDA financing and the BHCPF for the revitalization of PHCs.<br>• 1,400 primary health care centres have been equipped through NPHCDA and NHIA. |
